

August 26th, 2021

Effective Monday, July 26, 2021, masks are required in all Kranzberg Arts Foundation indoor facilities.

Updated Aug 26th, 2021 vaccine and testing requirements

Kranzberg Arts Foundation (KAF) and all affiliated venues will continue to follow the guidance and mandates set forth by public health and our local government. Please see St. Louis City Guidelines effective 7/26/21: As COVID-19 hospitalizations rise and the Delta variant spreads, the City of St. Louis and St. Louis County will require masks to be worn in indoor public places and on public transportation beginning Monday. Exceptions will include people who are seated in a restaurant or bar eating and drinking and individuals with disabilities that prevent them from putting on or removing face coverings. Wearing masks outdoors, especially in group settings, will be strongly encouraged.

Alongside City and County health departments, Kranzberg Arts Foundation stresses the importance of getting a COVID-19 vaccine. It is the safest and best way for both protecting against SARS-CoV-2 and limiting the spread of the virus. According to the Centers for Disease Control and Prevention, vaccines have been shown to reduce hospitalizations due to COVID-19 by 87% percent. A list of where to find a vaccine near you can be found on the City COVID-19 Vaccine Information website and County's stlcorona.com

Proof of Vaccination or Negative Test

Effective September 10th, 2021, All Patrons 12 Years or older are required to show proof of their full COVID-19 vaccination or negative COVID-19 test upon entry for all ticketed events at Kranzberg Arts Foundation indoor performance venues, including The Grandel, .ZACK Theatre, The Marcelle, Black Box and Studio at The Kranzberg, High Low Listening Room, and The Dark Room. Guests will need to bring a photo ID and either their physical vaccination card or a photo of their vaccination card. Unvaccinated patrons and Children over the age of 12 must provide proof of a negative COVID-19 test: either a PCR test taken within 72 hours of the performance start time or an antigen test taken within 24 hours of the performance start time.

Effective September 1st, 2021, All patrons 12 Years or older are required to show proof of their full COVID-19 vaccination or negative COVID-19 test if dining inside at Kranzberg Arts Foundation food and beverage venues, including Sophie's Artist Lounge, Blueprint at High Low, and The Dark. Guests will need to bring a photo ID and either their physical vaccination card or a photo of their vaccination card. Unvaccinated patrons over the age of 12 must provide proof of

a negative COVID-19 test: either a PCR test taken within 72 hours of the performance start time or an antigen test taken within 24 hours of the performance start time.

Please note that proof of vaccination or negative test is not required in KAF outdoor venues (The Big Top and Open Air tents.), Patio seating at KAF food and beverage venues and KAF Galleries.

All KAF Staff, Artists, Organizations, Contractors, Vendors, & Volunteers whose job requires that they work with the general public, directly with artists and producing entities in KAF indoor performing arts venues, and KAF food and beverage venues will be required to have proof of vaccine or proof of negative test. All KAF Staff, Contractors, Vendors, & Volunteers are required to wear protective face coverings at all times while working with the general public, directly with artists and producing entities.

KAF venues will continue to undergo rigorous daily cleanings, with increased disinfecting procedures on all high touch surfaces throughout our many theatres, galleries, events spaces, and workspaces. All venues have sanitizer stations installed at convenient locations at entry points, common areas, offices, elevators, and restroom entrances.
